

“RESTORING COURAGE”

A Glenn Beck simulcast event
from Jerusalem

Wednesday – August 24, 2011

All Are Welcome!

You are invited to join with others in the community, and with people of all faiths around the world, for this special event to send a message of support to the people of Israel. As the levels of outspoken hatred and violence against them continue to escalate along with growing unrest across the region, it's more important than ever for Americans to stand in sharp contrast and let them know they are not alone.

This is not about religion. This is not about politics. This is about an epic struggle between right and wrong, between good and evil, and America must be on the right side of history in defending Israel's fundamental right to exist. We hope you and your family will join us!
